## PARTICIPANTS WHO COMPLETE THE WORKSHOP SERIES WILL RECEIVE A CERTIFICATE IN COMMUNITY-BASED RESEARCH

**The Research Justice Workshop series is comprised of 9 workshops led by the RJS co-directors and postdoctoral scholars in the 2023-2024 academic year. In each workshop, students will participate in experiential learning activities to gain exposure to and abilities in Community-based Research methods. Participants will also build community, develop research practice commitments, and experiment with meta-principles for Community-based Research and Research Justice.**

\*Workshop content and locations are tentative and may vary, changes are to be announced

\*Workshops are for graduate students, please contact [newkirk@uci.edu](mailto:newkirk@uci.edu) if you are not a graduate student but are interested in attending.

### DESIGNED BY:

**Connie McGuire, PhD, MSW**  
Director of Community Relationship

**Victoria Lowerson Bredow, PhD, MPH**  
Director of Engaged Scholarship

**Brianna Ramirez, PhD**  
Postdoctoral Scholar
